# **Animal Mask**

### SKILL AREAS ADDRESSED:

- ✓ Fine motor skills
- ✓ Scissor skills
- ✓ Play skills

#### **MATERIALS NEEDED:**

- Construction paper
- Scissors
- String
- Markers
- \*If you don't have these materials, you can also use these substitutes:
- ☐ Instead of construction paper, use a paper plate!
- ☐ Instead of string, use pipe cleaners
- ☐ Instead of markers, use paint

## **ACTIVITY STEPS:**

- 1 Draw an animal face on a piece of construction paper, and decorate it with markers, paint, glitter, or any other craft supplies.
- Cut out animal head with scissors. Cut out eye holes.
- 3 Thread a string or pipe cleaner through sides of mask to tie around the back of your head!

#### **ACTIVITY TIPS**

- Make it easier by cutting out the face for your child
- Make it harder by painting with a Q-tip or smaller paint brush
